Dear Property Owner:

The reassessment of your property has been completed in accordance with the rules and regulations mandated by the State of New Jersey requiring all real property be appraised at its fair market value. Appraisal Systems Inc. (ASI) has made a complete analysis of all recent market data in order to accomplish this task and to determine the value of all properties as of October 1, 2024.

For comparative purposes, a tax rate of \$2.147 (per \$100 of assessed value) has been estimated for 2025 to give property owners a sense of how their property taxes may increase or decrease based on the new 2025 proposed property assessments. However, the 2025 actual tax rate **will be different** from the estimated 2025 rate based on the County Equalization and reallocation process. In addition, the 2025 actual taxes cannot be computed until the County, School and Municipal budgets are approved and the official tax rate is established next year.

THE NEW 2025 PROPOSED TOTAL ASSESSED VALUE OF YOUR PROPERTY IS:
YOUR 2025 **ESTIMATED** ANNUAL TAXES (based on tax rate of \$2.147):

For purposes of comparison:

THE 2024 TOTAL ASSESSED VALUE OF YOUR PROPERTY WAS:
YOUR 2024 TOTAL ANNUAL TAXES (tax rate \$3.892):
