

The following is the definition of a Reassessment Program as described in the "Handbook for New Jersey Assessors":

"A reassessment program seeks to spread the tax burden equitably within a taxing district by appraising property according to its true value and assessing it based upon such value. This is accomplished by the mass appraisal of all real property in the taxing district by an outside professional appraisal or reassessment firm."

The following power point presentation was created by Appraisal Systems, Inc. to provide a basic outline of the reassessment process. All rights are reserved.

There is an erroneous assumption by some that a reassessment is a means by which a municipality increase property taxes.

Reassessments do not increase the total amount of revenue to be raised by taxation. The municipality only collects the amount of tax dollars that the four units of local government (local school, regional school, county government and municipal government) determine is

necessary to operate.

New Jersey's real property tax is ad valorem or a tax "according to the value." The State Constitution at Article VIII, Section 1, Par. 1 requires that all real property be assessed at the "same

standard of value." New Jersey Statutes at N.J.S.A. 54:4-23 establish the standard of property value to be the "full and fair value" or "true value" which is defined as "the price at which, in the assessor's judgement, each parcel of real property would sell for at a fair and bona fide sale."

Why a Reassessment?

- Ordered by County Board of Taxation
- •Criteria used to determine need:
 - *last reval (2014)
 - *average ratio (68.01)
 - *number of appeals

Other:

*changes in characteristics in areas or neighborhoods within the municipality and in individual properties

*economics (inflation and recession)

*fads (desirability of architecture, size of home, etc...)

*legislation (wetlands, pinelands, zoning, etc...

For Example Purposes Only

```
    Property A: 2025 Assessment = $450,000
    2025 Tax Rate = $2.80/100
    2025 Taxes = ($450,000 x .0280) = $12,600 Taxes
```

IF AVERAGE INCREASE FOR THE TOTAL TOWN IS 1.5 TIMES: TAX RATE WILL DECREASE BY 1.5 TIMES DUE TO REASSESSMENT ASSUMING BUDGET REMAINS THE SAME

2025 Tax Rate \$2.80 / 1.5 = \$1.867 Tax Rate for 2026 (Example Only)

Property A: 2026 Assessment = \$675,000
 2026 Tax Rate = \$1.867/100
 2026 Taxes = (\$675,000 x .01867) = \$12,600 Taxes (Rounded)

Other Examples:

•Property A: 2026 Assessment = \$625,000 x .01867 = \$11,669 Taxes 2026 Assessment = \$725,000 x .01867 = \$13,535 Taxes

For Example Purposes Only

```
•Property A: 2025 Assessment = $450,000
2025 Tax Rate = $2.80/100
```

 $2025 \text{ Taxes} = (\$450,000 \times .0280) = \$12,600 \text{ Taxes}$

IF AVERAGE INCREASE FOR THE TOTAL TOWN IS 2.0 TIMES: TAX RATE WILL DECREASE BY 2.0 TIMES DUE TO REASSESSMENT ASSUMING BUDGET REMAINS THE SAME

2025 Tax Rate \$2.80 / 2.0 = \$1.40 Tax Rate for 2026 (Example Only)

•Property A: 2026 Assessment = \$900,000

2026 Tax Rate = \$1.40/100

 $2026 \text{ Taxes} = (\$900,000 \times .0140) = \$12,600 \text{ Taxes (Rounded)}$

Other Examples:

•Property A: 2026 Assessment = \$850,000 x .0140 = \$11,900 Taxes

 $2026 \text{ Assessment} = \$950,000 \times .0140 = \$13,300 \text{ Taxes}$

TOWNSHIP OF WASHINGTON

OFFICE OF THE TAX ASSESSOR 350 HUDSON AVENUE, TOWNSHIP OF WASHINGTON, BERGEN COUNTY, NJ 07676 TELEPHONE 201-664-1292 fax 201-664-9281

December 19, 2024

Dear Property Owne

The Berger County Board of Trantion and the New Jersey Division of Trantion have directed the Township of Washington to undertake the Reseassment Program Despinning with the tax year 2054 and continuing through 2003. This program will ensure uniform and equitable assessments throughout the municipality and account for the recent changes in the real estate market. The Township has contacted Appraisal Systems, Inc. to assist in conducting the Reassessment Program.

Following this initial assessment, 25% of the properties will be inspected each year. It is important to note that while only 25% of properties will be inspected each year, all properties in town will be reassessed to ensure current valuations are maintained. This process belop ensure that drastic changes in value are avoided.

The first step of the reassessment process is the inspection of all properties in the Township. In the coming months inspectors from Appraisal Systems, Inc. will visit all properties, measuring and photographing the exteriors of all buildings and inspecting the interiors. In order to properly assess your property, it will be necessary for a representative of Appraisal Systems, Inc. to examine the interior of your property. If an inspector is not given the opportunity to perform an interior inspection, interior information will be estimated. The first visit from an inspector will proceed with the exterior inspection and \$5.00pm. If the homeowner is not present on the first visit from an inspector will proceed with the exterior inspection and leave a card specifying a return date to do the interior inspection. The notice will also have a telephone number to call to reacheable this appointment if the time or date is not convenient. Contactless interior inspections using a video conference will be available at the request of the property constitution.

Agonaisal Systems, Inc. recently conducted background checks consisting of social security numbers, criminal, and not vehicle records on the field imspectors. The field inspectors will carry photo identification, and their names will be register with the Policie Department and the Township Clerk's office. Please do not allow anyone to enter your home without prop identification. You will be requested to sign the field form used by the representative to acknowledge when an interior in small please advise the occurants of any restal units you may onto not they are reserved for the inspection.

If your property has a unique condition that influences value, please send documentation to Appraisal Systems, Inc., 17-17 Route 208 North, Suite 210, Fair Lawn, NJ 07410, and it will be considered.

The new property values for 2026 will be determined based on their estimated market value as of October 1, 2025 (the date required by Iaw). All property owners will be notified by mail of their proposed assessed values and will opportunity to question/contest the values.

An online webinar explaining the Reassessment process will be conducted on January 16, 2025 at 6:30pm. All resiluate to exposurably to watch this presentation about the Reassessment process and ask questions in www.ssimi.com for the link to the webinar as the date gets closer. Click on "Current Revaluation Information". In the control of the control

Any inquiries with respect to the inspection and/or valuation procedure should be directed to Appraisal Systems, Inc. at (201) 493-8530. General information about the Reassessment process can be obtained from the ASI website at www.asini.com.

Sincerely,

APPRAISAL SYSTEMS, INC.

Rick Del Guercio President TOWNSHIP OF WASHINGTON

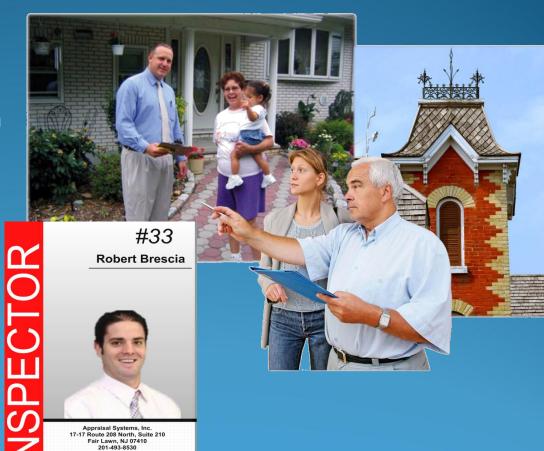

Inspect

First visit - Introduction of Field Rep. to property owner

- •First visit between 9:30am-5pm
- •Each inspector is issued an ID authorized by the Police Dept.
- •Do not allow anyone in your home without this identification.
- •Call Police Department *before* allowing anyone in your home if you have any concerns.

First visit - Site Inspection & Outside Influences

•Economic loss due to outside influences (environmental nuisances and hazards.)

Topography (land contours and grades.)

mountains or valleys can produce positive values, conversely a poor view can produce a value penalty.)

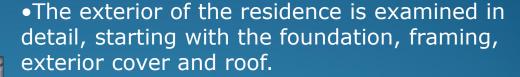

First visit - Site Inspection cont....

- •Economic loss due to outside influences (such as High Tension wires.)
 - •Immediately adjacent commercial or industrial properties, gas station, stores, schools, firehouses (can produce a value loss.)
 - •High traffic streets (proximity to noise, fumes, congestion and accidents are also negative factors that are considered.)

First visit – Measure exterior

•The inspector will measure the exterior dimensions of the main improvement and all other structures on the property.

•The architectural style of the main improvement

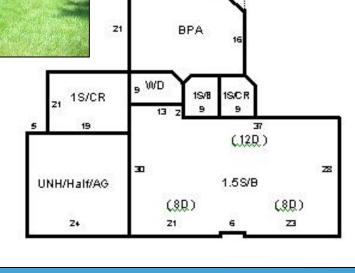

First visit - Measure exterior cont....

- •A footprint of the house is drawn to scale.
- •The house is broken into sections

First visit - Style of the house

- Architectural style: the character of a building's form and ornamentation
- •There are five basic designs:
 - -One story
 - -One and One-half story
 - -Two story
 - -Split Level
 - -Bi-level
- •The architectural style of the main improvement is identified and its effect on property value is considered. Is the style in harmony with the neighborhood and market standards?

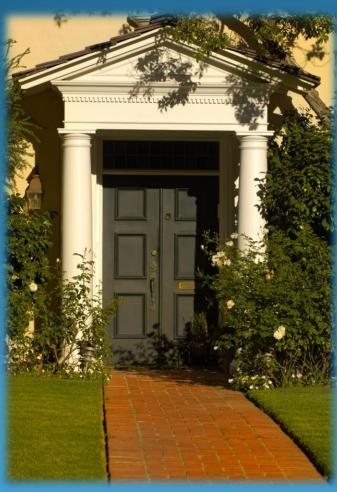

First visit - Exterior quality of the house

- •Quality refers to the character of construction and the materials used, the manner of construction and the workmanship.
- •The condition refers to the overall wear and tear, the extent of physical deterioration and the level of maintenance.

First visit – Call Back

- •If no one is home on the first visit, the inspector will leave a notice.
- •The notice will have an appointment for return visit.
- •The appointment will be in the evening (typically between 5pm-7pm.)
- •Some Saturdays may also be available.
- •The property owner can reschedule by calling the phone number on the card.

APPRAISAL SYSTEMS INC. 8 Cattano Ave., Morristown, NJ 07960	BLOCK: LOT: DATE:	
Dear Property Owner:		
A representative of Appraisal Systems was h dance with our contract to revalue all proper	ere to inspect you ty located in the n	r property in accor- nunicipality.
		Appearance of the control of the con
Since we were unable to make an interior	inspection, we wi	Il return on:
Since we were unable to make an interior DAY: DATE: TIME:		
	INSP	ECTOR #:

First visit - Interior Inspection

- •The interior of the residence is inspected next and takes approximately 5-15 minutes depending on the size of the house.
- •All levels of the home including the main floor, upper levels, attics (with fixed stairs) and basements will be inspected.
- •The inspector will also note the number of rooms, heat type, air conditioning, number/type of fireplaces, plumbing, and the percent of finish in attics and basements.

First visit - Interior Inspection - Kitchens

•The quality and condition of the kitchen will be examined.

First visit - Interior Inspection - Bathrooms

•The quality and condition of the bathroom will be examined.

First visit - Interior Inspection - Basements/Attics

•The quality and condition of the basement and attic areas will be examined.

First Visit - Interior Inspection - Virtual Option

If an inspector is not given the opportunity to do an interior inspection, interior information will be estimated which may result in an inaccurate assessment of your home.

There are 2 ways an interior inspection can be performed:

- 1) A physical inspection where the inspector enters the premises and does a complete walk through.
- 2) A contactless interior inspection using a video conference either during the first visit or a mutually convenient scheduled time
- •If no one is home at the time inspection, the inspector will leave an inspection card notice.

Second Visit - Estimate

- •If the callback appointment has not been rescheduled by the homeowner, the inspector will return at the scheduled day and time range.
- •If no one is home at the time of the second visit, the inspector will estimate the interior. The estimated information will be left with the property owner on a blue "estimate card."

•If the information is incorrect, the homeowner can call the number on the card to reschedule another interior inspection to correct any inaccuracies.

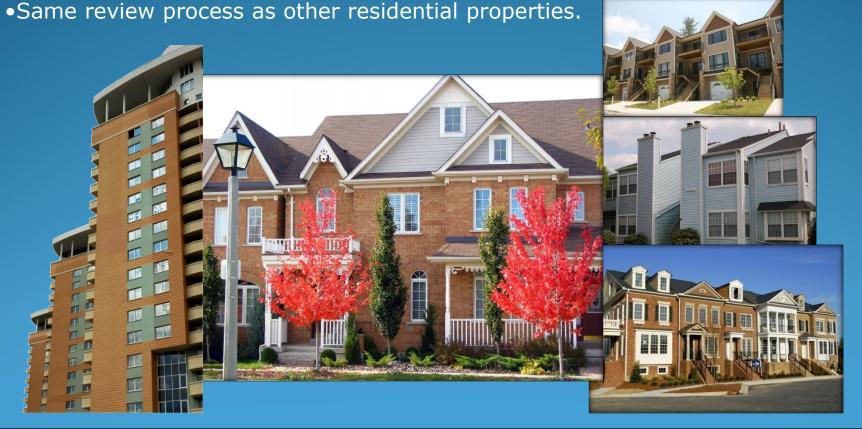

•Information can not be changed over the phone.

Condominium/Co-op/Townhouse Properties

- •Same inspection process as residential properties. (Process will be coordinated with property manager if necessary.)
- •Master deeds will be utilized to confirm size, layout, model and common elements.

Condominium/Co-op/Townhouse Properties

- •Same inspection process as residential properties. (Process will be coordinated with property manager if necessary.)
- Master deeds will be utilized to confirm size, layout, model and common elements.
- •Same review process as other residential properties.

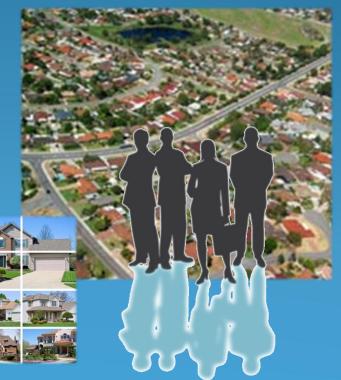

Neighborhood Development

•The neighborhood is the immediate environment of the subject property. A neighborhood is defined by certain characteristics that are homogenous and differentiate it from other areas in the community.

Elements of homogeneity or similarity

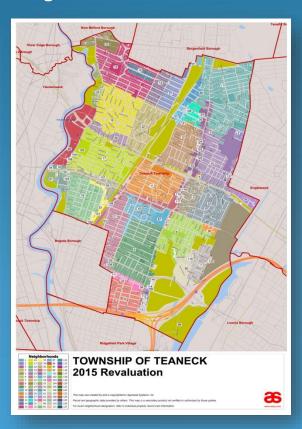

- -Similar style houses
- -Houses of similar utility
- -Similar age and size of houses
- -Similar quality of houses
- -Similar price range of houses
- -Similar land uses (zoning)

- •Neighborhoods are delineated for purposes of analysis and eventual establishment of land values.
- Neighborhood boundaries are often established by:

- -Natural barriers (rivers, lakes, hills, etc....)
- -Political barriers (city limits, zone boundaries, school districts, etc.....)
- -Man made obstacles (streets and highways, rail lines, major utility rights of way, "green belts", etc.....)

Market Analysis & Review cont....

- •Reports are generated based upon information realized from the inspection of properties and the market sales analysis.
- •Assists in applying all market value indicators into a uniform standard that produces equitable values.

Notification of Value

- Mailed to address of record for all property owners.
- •Date of mailing depends on the project schedule.
- •Mailings usually occur at the end of the year or early into the next year.
- •Contains total assessment for property.
- •Contains instructions for setting up a meeting to review assessment.

Website

Since 1981, when Ernest F. Del Guercio Sr. founded Appraisal Systems, Inc., the firm has earned the confidence and respect of New Jersey assessors, administrators and elected officials.

The firm has been successful in providing a full spectrum of mass appraisal, professional real estate valuation, and consulting services with a Reputation for providing the highest quality, result driven appraisal services to our municipal and individual clients.

Click here for our current revaluations

Click here for our updated powerpoint presentation

The management team of Appraisal Systems, Inc., with an average of thirty years of broad and extensive experience, coupled with the use of the latest computer technology enmeshed in the analysis and appraisal process have been instrumental in the firm's success.

With over a quarter century of trust and professionalism that marks the history of ASI, you can be assured that you are in the hands of a team that prides itself on outstanding performance....year after year. Appraisal Systems' team is comprised of seventeen full time State Certified Real Estate Appraisers.

High standards have been established for quality and integrity. The qualifications, experience and expertise represented on the following pages encompass those criteria which must be considered when engaging competent real estate appraisers.

Informal Hearings

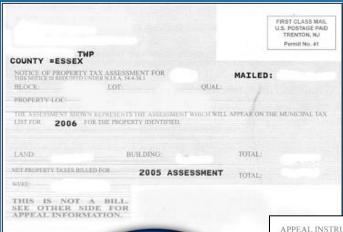

- •Opportunity to discuss your proposed assessment with a representative of Appraisal Systems.
- •One-on-one meeting by appointment.
- •Typically takes place in the municipal building.
- Meetings are held Monday-Saturday; Mornings, afternoons & evenings.

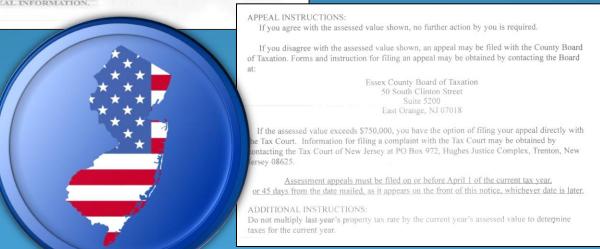

Transmit Final Values to Municipality & County

- •Final values sent to Town and County
- •All information (data collection forms, property record cards, photographs, neighborhood map, correspondence, database, etc....) is given to Town.
- •Official notification of final value from Municipality (via postcard.)

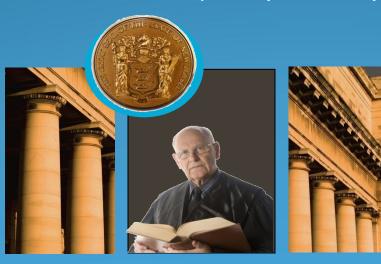

Tax Appeal

- •County appeal/State appeal.
- •Can not appeal comparing assessments.
- •Can not appeal taxes.
- •Must prove value by use of comparable sales
- Appeal deadline:

-May 1 (newly revalued municipalities)
-April 1 (all others)

Commercial/Industrial Valuation

- •All commercial and industrial properties are valued using three approaches:
 - a. Cost Approach
 - b. Sales Comparison Approach
 - c. Income Capitalization Approach

Commercial/Industrial Valuation cont....

•Property owners are notified via certified mail which contains a demand for income & expense information.
