Dear Property Owner:

The reassessment of Chester Borough has been completed in accordance with the rules and regulations mandated by the State of New Jersey requiring all real property be appraised at its fair market value. Appraisal Systems Inc. (ASI), in conjunction with the Assessor's office, has made a complete analysis of all recent market data in order to accomplish this task and to determine the value of all properties as of October 1, 2025.

For comparative purposes, a tax rate of \$2.192 (per \$100 of assessed value) has been estimated for 2026 to give property owners a sense of how their property tax may increase or decrease based on the new 2026 proposed property assessments. This estimated tax rate **does not include** any potential budget increases in 2026, and the exact tax rate cannot be computed until the County, School, and Municipal budgets are approved and calculated into the official 2026 tax rate next year.

THE PROPOSED 2026 ASSESSED VALUE OF YOUR PROPERTY IS:
YOUR 2026 **ESTIMATED** ANNUAL TAX (based on tax rate of \$2.192):

For purposes of comparison:

THE 2025 ASSESSED VALUE OF YOUR PROPERTY WAS:
YOUR 2025 TOTAL ANNUAL TAX WAS (tax rate \$2.328):
